

DROP-IN CHILDCARE

Statement of Health

This form is a supplement to the registration agreement previously entered into between the parent and Kidz Depot, Inc.

_____, whose date of birth is _____, has been registered with our drop-in childcare. The programs offered at our facility involve both vigorous and quiet indoor play, including the use of climbing equipment.

In your opinion, is this child physically and emotionally able to participate in this childcare setting? _____

Is your child current on all immunizations? _____

Does this child require special attention, medication, or have any physical condition, which may need to be taken into consideration while in our care? _____

I certify that I have provided accurate and truthful medical information concerning the child listed above.
